

TO OUR CUSTOMERS FROM IRISLAND

Take ADVANTAGE OF OUR SALE NOW! WHOLESale PRICES for both RETAIL and WHOLESale purchases. This listing is, for the most part, what remains from our 1960 plantings.

Our descriptions in this listing are brief. For further information our regular customers can check for more detailed descriptions of color, form, hybridizing, etc., in our 1959 catalogue.

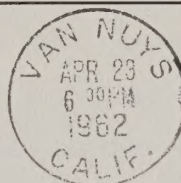

IRISLAND will not be open this year, except by appointment, because of many complications. Should you wish to consult with us, please phone State 5-6014.

We want to take this opportunity to thank all of you for your patronage and confidence in us during our years as a commercial grower. This will always be a memory to cherish. David and I are retiring from active business and hope to travel around the country visiting the many friends we have made through the Iris.

Orders will be filled and shipped in rotation as received, via Parcel Post, unless requested otherwise. SHIPPING DATES from July 1st to October 1st.

FREE BONUS GIFT on all orders received by June 10th . . . the bigger the order, the better the gift. If no substitution list is included we will send you the best and nearest to your order in an equal or better priced item, unless otherwise specified, since we found you, our good customers, repeatedly returned our refund checks, requesting that we substitute instead.
